

### REMARKS

Applicant has amended independent Claim 1 to require that all walls of the organizer are constructed of see-through material. The prior art does not show all walls of organizers made of see-through material.

Applicant has amended Claim 6 and independent Claim 11 to require a second pocket that includes a second pocket cover. None of the cited prior art shows a combination in an expandable scrapbooking organizer of a first expanding pocket for holding and protecting 12" X 12" paper in an unfolded condition with a second pocket with a second pocket cover. Neither of the pockets referred to by the Examiner as the second pocket in Hatano et al. or Lee et al. have covers. Further, nothing in Hatano et al. or Lee et al. would suggest or make obvious the addition of a cover for the second pocket.

The Examiner has indicated that prior Claims 15 and 16 would be allowable if written in independent form. New Claims 22 and 23 are prior Claims 15 and 16 with Claim 15 written in independent form. Independent Claim 20 and dependent Claim 21 have been cancelled. New Claims 22 and 23 take the place of cancelled Claims 20 and 21 so the total number of claims has not been added to.

No. 20-0100 of the undersigned.

Dated this 21st day of February, 2008.

Respectfully submitted,
